

Wire Hangers and Baskets

Wire Hangers

Wire hangers are available in loop style or hook style. Both are available in either 3 wire or 4 wire. The hook style is available in twisted 4 wire and both 3 and 4 wire aluminum hook.

Hanging Wire Baskets

Hanging Wire Baskets are the frame for making attractive moss baskets. Made of 10/12 gauge galvanized wire, they are used to create natural looking baskets.

Tree Moss for hanging baskets available. See page 50.

S-Hooks

Use these S-Hooks to hang your favorite hanging basket. Made of Galvanized Wire, they offer an attractive way for suspending baskets when extra length is needed.
